Avengers infinity war movie review
*spoiler alert*

Ok, HI! We just came up with this randomly. We are going to review infinity war THEN endgame

Infinity war!
In Infinity war Thanos has the infinity gauntlet (how to say: g-O-nt-let.) Then he’s going to get the infinity stones to snap and dust people. The Avengers (how to say: Ave-n-jer-s) find out about Thanos trying to get the infinity stones. The Avengers planned to go to war at Wakanda (how to say: Wak-O-nda) and stop Thanos. Vision has the mind stone and that’s the last stone that he needs to snap. They hold the war but then Thanos gets the mind stone and Vision dies. Then he snaps and dusts people. I’m not going to spoil it all.
